

Franko Mileta Sports Center opened its doors on October 25th 2017. During the development cycle of the facility special attention was given to making it a central hub for sporting events, entertainment, concerts, cultural exhibitions' and business fairs for the City of Labin, Istria Region and the entire country.

Photo 1.. SC Franko Mileta entrance

Being unique in having two adjacent halls connected by a hallway, SC Franko Mileta quickly became a landmark known for its elegance, functionality and hospitality.

Athletes have everything they need: two handball or indoor football courts, four mini handball courts, two basketball courts (one with a ceiling basket and the other with a floor basket in compliance with FIBA Level 1 license), two volleyball courts (or four transversal volleyball courts), table tennis and badminton gear.

Photo 2. SC Franko Mileta Small Hall

Athletes have at their disposal eight locker rooms ranging from 25m² to 42m² equipped with benches, showers, toilets, washbasins which provides a comfortable environment in which to train or play matches.

For this facility to achieve its goal of satisfying its customers, many additional amenities were added such as:

SC Franko Mileta technical amenities consists of:

- ❖ State-of-the-art loudspeaker system, and the Great Hall is suited for entertaining concerts and music shows.
- ❖ Free Wi-Fi
- ❖ A video-wall that has 12,5m2 in the Great Hall and it's used for presentations and displays during sporting events and other occasions.
- ❖ All areas have their respective and separate heating and air-conditioning systems
- ❖ Accessibility for people with disability (elevator, wheelchair ramp, bathrooms designed for disabled people incorporated in the locker rooms)

In the City of Labin we have a male handball team (top tier of Croatian handball) with multiple team levels, women's handball team (second tier of Croatian handball), basketball team (third tier) with the possibility of friendly matches being organized.
